**To:** All Heads of Divisions,  
TFRI, Jabalpur.

**Sub:-** Panel of eminent national/international experts-reg.

Sir/Madam,

As a premier Institute TFRI contemplates research proposals in various sun-rise disciplines of tropical forestry. As per the procedure, these proposals are to be peer reviewed ahead of their presentation in the RAG/RPC. In this regard, befitting the scientific and professional standing of the Institute, it would be appropriate for the proposals

to be subject to review by eminent national/international level Scientists/Experts of equal or higher professional standing. You are therefore requested to provide a list of serving/retired eminent (national/international level) Scientists/Experts in your division's scientific domain, within two weeks positively.

Yours faithfully,

(P. Subramanyam)  
Group Coordinator(R)
