

Training on 'Biofertilizers and Biopesticides'

One day need base training on 'Biofertilizers and Biopesticides' was conducted by Forest Research Centre for Skill Development, Chhindwara, M.P (satellite centre of Tropical Forest

Research Institute, Jabalpur) on 10.05.2019 and organized by State Forest Department (Research and Extension Circle) Seoni (MP) for the Rangers, foresters and frontline staffs working in forest nurseries of four Districts viz. Chhindwara, Narsingpur, Balaghat and Seoni. The programme was inaugurated by the

chief guest Shri. Mudrika Singh, IFS, Chief Conservator of Forests, Research and Extension Circle, Seoni. Dr. Vishakha Kumbhare, Scientist In-charge/Training Co-Ordinator of the centre welcomed the chief guest and the trainees and presented a detail overview about the training programmes and research and extension activities being conducted by the centre. Shri. Mudrika Singh, IFS, Chief Conservator of Forests, Research and Extension Circle, Seoni inaugurated the training programme by lighting a lamp. In inaugural address, he emphasized the importance and benefits of biofertilizers and biopesticides in forestry sector and its adoption in forest nurseries to meet the nutrient requirements for raising the healthy seedlings. During the programme, in total four lectures were delivered by the subject experts. Smt. Shalini Bhowate, Scientist –B of the centre elaborated on the organic manures and vermicompost preparation method and its application, botanical biopesticides and biological control measures. Smt. Mamta Meshram, Scientist-B briefed the participants about the application of biofertilizers in wasteland development. Field visits of the participants were conducted to medicinal plants nursery and various plantations existing in the campus. Sh. R.P. Baghel, Technician and Sh. D.L. Wadiva, Technician of the centre were present during the field visits and assisted the training Co-Ordinator in conducting the training programme successfully. The feedback was obtained from the participants and programme was ended with vote of thanks.

Biofertilizers and Biopesticides Training conducted on 10.5.19 for SFDs working in forest nurseries of Chhindwara, Balaghat, Narsingpur and Seoni and organized by Research and Extension Circle, Seoni
